

- Bingo des fractions -

Type d'activité

Jeu calme

Compétence(s) travaillée(s)

Visualiser les fractions de 1/1 jusqu'à 6/6

Nombre de participants

De 2 à 4 participants

Matériel

- Grilles de fractions vierges (téléchargées sur le site *homeschoolclipart*)
- 2 dés
- 4 marqueurs effaçables

Déroulement

Chaque joueur possède une grille de bingo vierge.

Le meneur de jeu a 2 dés qu'il lance l'un après l'autre en énonçant la fraction .

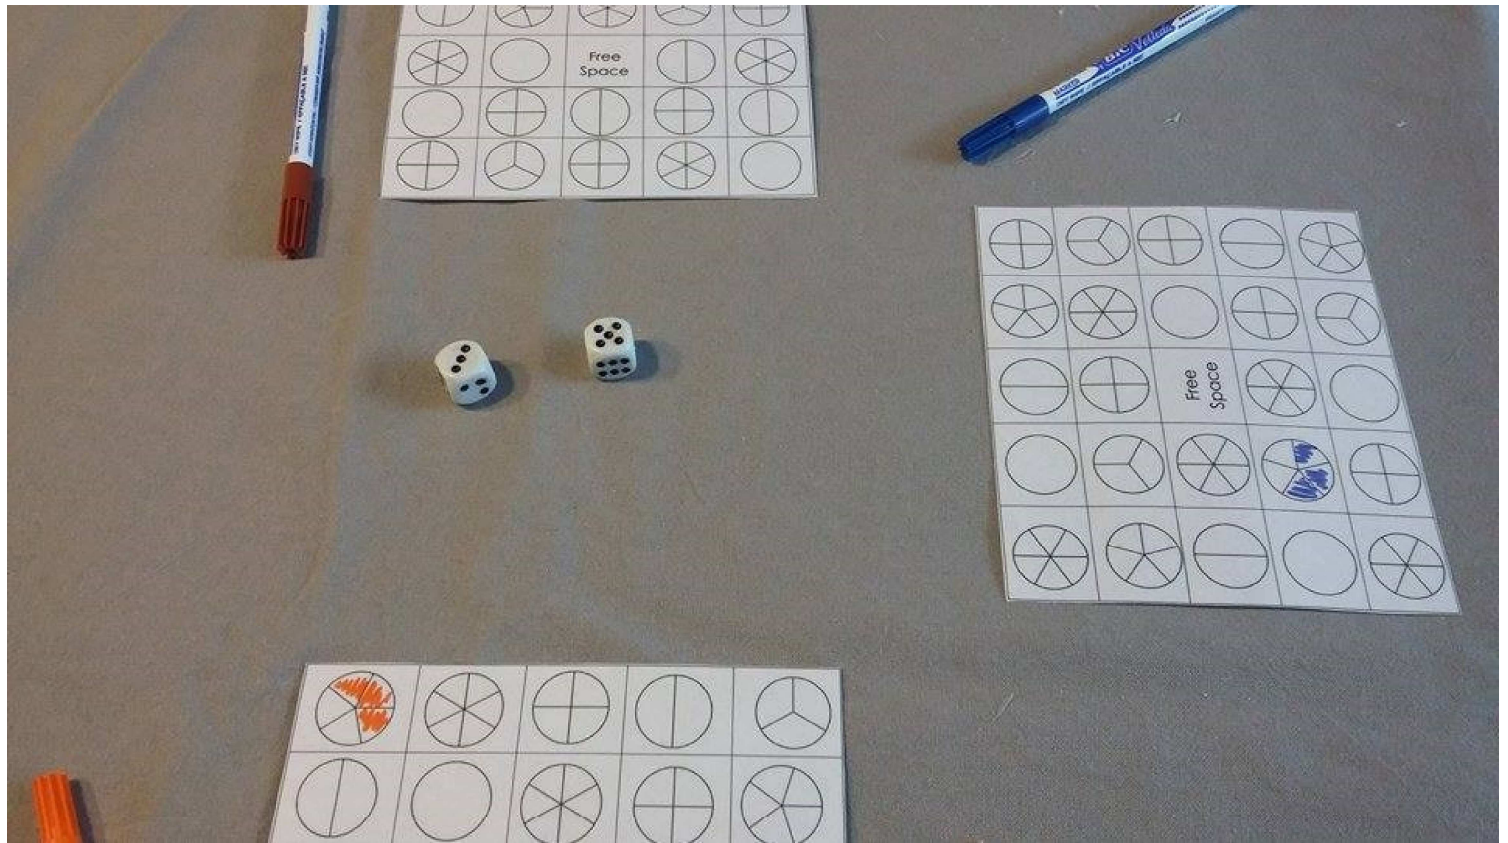

Exemple:

$$= \frac{1}{2}$$

Les joueurs qui ont la possibilité de représenter sur une case 1/2 peuvent alors la colorier (max. une par lancé de dés)

La partie se termine lorsqu'un joueur a réussi à colorier une ligne complète

Fractions Bingo

Thank you for stopping by our blog, [School Time Snippets](#). I hope this Fraction Bingo Activity helps your child learn and reinforce the concept of Fractions in a fun way.

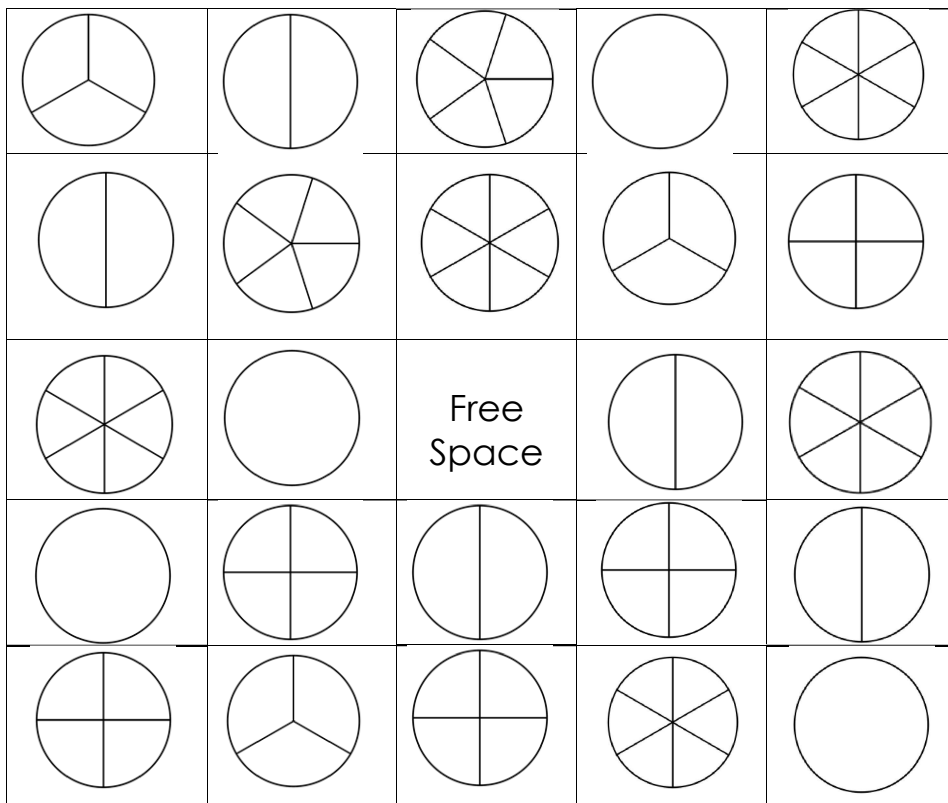

To play print off a game board for each player, pencils and/or dry erase markers, and grab a pair of dice; for durability and continued use, I recommend laminating the game boards. I have provided four different boards, but two players could easily play with the same board and come up with different combinations.

To play, simply have a player roll the dice and fill in the fraction circle accordingly. So if a 2 and 3 are rolled, you will color in $\frac{2}{3}$'s of the circle broken up into thirds. If two 4's are rolled, you can either fill in the circle broken up into fourths OR the circle that is a whole. First to get five spaces in a row filled up, wins!

Feel free to share the word about this free printable to others that may be practicing Fractions; but please do not share the link to the printable but to our blog post sharing the activity! Thank YOU! Have fun playing!
